FUN WITH THE UNIVERSE

The school in its continuous endeavours to bring the best and latest in the field of education to its students is organizing Astronomy and Space Science Club in association with SPACE.

SPACE introduced the concept of Astronomy and Space Science through its CLUB in Indian School Education System. Throughout its journey of more than 15 years, it is only organisation serving students and schools consistently in this field promoting HANDS ON learning which ultimately encourages innovative thinking and contributes in holistic development of students. SPACE has joined hands with more than 250 schools and enrolls more than 25000 students every year.

ADVANTAGES OF JOINING SPACE ASTRONOMY CLUB

- Promotes HANDS ON learning.
- Promotes STEM learning, Multiple Intelligence and 21st century skill sets.
- An opportunity to participate in National & International events organized by NASA and other renowned space agencies.
- Innovative thinking and enhancing their creativity & thinking process.
- Students get into more clear definition of subjects like geography, history, physics, environmental science etc.
- Observing celestial bodies in the universe and learning & practicing Astrophotography using DSLR camera.

SPACE ASTRONOMY CLUB INCLUDES

- Personal Astronomy Kit including a 50mm refractor Telescope.
- Learning Grid system in the sky and creating a Sky Map.
- Construction & launching of Hydro Rocket model.
- Safe solar Observation.
- Making Comets and learning about Asteroids.
- Learning & Practicing Astrophotography using DSLR Camera.
- One Evening Observation where parents can accompany their children for telescopic watch.
- One overnight Observation where students travel to a low light area and observe celestial bodies in universe.
- Students will be awarded with 'AMATEUR ASTRONMERS' certificate.

(Kindly tear this consent slip and submit a duly filled slip along with fee to the school)

CONSENT SLIP FOR PARENTS

I hereby give my acknowledgement for my child's participation in Space Science & Astronomy Club.

Student Name _____ Grade _____ Section _____ Contact No. _____ email
id _____ Amount Paid _____ through cheque/DD
no. _____

Date: _____

Signature of Parent

KIT MATERIAL GIVEN TO STUDENTS DURING VARIOUS WORKSHOPS/SESSIONS
