

JESUS' SACRED HEART SCHOOL

DX-I, SOUTH CITY, LUDHIANA

GUIDELINES FOR PRE-PRIMARY

CIR NO: JSHS/0551/0325

DATE : 15.03.2025

Respected Parents,

To work hand in hand and polish the skills and personality of the children when they are leaving the warmth of their parents to embrace a new world, here are some particulars which will help you to be a part of their new acquired world.

Child flourishes in healthy and friendly environment of school. Child gets individual attention due to low teacher-taught ratio. School encourages theme based learning as concepts regarding the themes are reinforced. Smart Class is accessorized with Plasma T.V's, Interactive white board system (IWBS) Digital transformation system (DTS). School facilitates specialized training in the field of martial art, computer, skating, swimming, splash pool, music & dance,. Computer period is introduced from U.K.G onwards. There is a separate reading period for all classes.

NEP-based curriculum is implemented through interdisciplinary teaching methods, emphasizing critical thinking and holistic learning. It integrates modern technology and focuses on skill development to prepare students for real-world challenges.

Activity-based self-developed curriculum: The curriculum focuses on engaging students through interactive, hands-on activities that allows them to learn by doing. It also encourages exploration, creativity, critical thinking, and connects the learners with the real-world.

The curriculum includes four integrated modules—each consisting of a course book and workbook—that cover essential areas such as English literacy, math numeracy, and general awareness. These subjects are taught concurrently, ensuring a well-rounded learning experience.

For LKG and UKG students, Hindi content is added to support language development alongside the core subjects. This approach will help your child build a strong foundation while fostering a love for learning.

Assessment System: The assessment of the child's performance will be done regularly through **4 Module system**. Each module comprises of syllabus covered in a span of two to three months. Parents will be kept unknown about these modules. Students will be assessed on the basis of grading. Parents will be given a clear picture of the child's performance by displaying Modules, Worksheets etc. on the day of P.T.M. and the grades of the same will also be updated on the student's portal and mobile apps.

Activity Calendar: On Mondays and Fridays, various activities and competitions are conducted. All celebrations & competitions are mentioned in the activity calendar for your ready reference. Holidays are indicated in Activity Calendar. There will be no notification from school side regarding the holidays.

Swimming, Skating & Martial Arts:- Students will have Swimming, Martial Arts, Self-Defence, and Skating classes as part of their yearly curriculum. Swimming classes will take place from April to September. For swimming, please send a separate handbag containing the swimming costume, slippers, and towel to ensure that wet clothes do not spoil books. All belongings should be properly labelled. Swimming in the large pool begins for Grade I students and above, while Pre-Primary students will have weekly splash pool sessions. A notification will be sent when the splash pool periods begin.

For Skating, which is introduced in LKG and runs from October to February, students will keep their skates in a separate bag in the classroom to avoid carrying extra load. The bag and skates should be clearly labelled with the child's full name.

Martial Arts and Gymnastics are regular parts of the curriculum, with Gymnastics being introduced in Grade UKG
