SUBJECT	TOPIC	NATURE OF TASK	REQUIRED MATERIAL (To be sent from home)	CLASS/HOME WORK
English & Science (Individual Activity)	Journey of the Object	Students will work in groups to write a short creative story from the perspective of an object. The object will “speak” and describe its own journey — how it is made, how people use it, and what happens to it afterward. The story should also highlight the object’s impact on the environment.	A4 sized sheets , coloured pens, picture cut outs etc.	To be done in class
Hindi (Group Activity)	Storyboard &Community action plan	In groups Students will create a storyboard in Hindi showing the impact of human actions on the environment and steps that can be taken to heal the planet. The same to be presented in class in their respective groups.	Chart paper, markers, sketch pens, cutouts	To be done in class
Punjabi (Individual Activity)	Public Speaking	Students will prepare a 2-3 minutes speech in Punjabi on a specific environmental issue (e.g., deforestation, pollution) and suggest practical solutions and present it in class.	Paper, pens, note cards	To be prepared at home & presented in class
Math& SSt (Individual Activity)	Carbon footprint	Students will Calculate the carbon footprint of daily activities like transportation, electricity use, and food consumption over the past 3 months and represent findings using graphs or pictographs, analyze ways to reduce the footprint, and design a report/action plan to improve local environmental conditions (e.g., reducing plastic use).	A4 sized sheets, coloured pens etc.	Data collection to be done prior and Action Plan to be designed in class.

****Kindly ensure the presence of your ward on Project day, as the activities will not be conducted again.**
