

JESUS' SACRED HEART SCHOOL
TASK PLANNER
CLASS – VI

Theme: Space Exploration & Astronomy

SUBJECT	TOPIC	NATURE OF TASK	REQUIRED MATERIAL (To be sent from home)	CLASS/HOME WORK
English & Science (Individual Activity)	Space Scrapbook	Each Student will create a 3–4-page scrapbook on space exploration. The scrapbook may include information about planets, famous space missions, astronauts, and simple facts about space.	Coloured sheets, Picture cut outs, coloured Pens etc.	To be done in class
Hindi (Individual Activity)	Space Poem	Each Student will compose a short poem in Hindi on any one topic related to space, such as the Moon, stars, or a rocket. The poem should express imagination and curiosity about space using simple and creative language.	A4 sized sheets, coloured Pens etc.	Reference points may be prepared prior but the final composition to be written in class
Punjabi (Individual Activity)	Flash Card	Each student will create two flash cards about planets or space objects highlighting its interesting facts in Punjabi.	Coloured Sheets and Pens etc.	To be done in class
Math & SST (Individual Activity)	Space Exploration Timeline	Students will work in groups and create a timeline of major space missions and achievements. They will arrange key events in chronological order and use simple mathematical calculations to understand the time gaps between these achievements. They will also show Conversions from years into months and days.	A3/A4 sized sheets, coloured Pens, Cutouts etc.	Information to be gathered from home and compiling to be done in class

****Kindly ensure the presence of your ward on Project Day, as the activities will not be conducted again.**
