Cir No. :-JSHS/0609A/1026

Project day/ Date : Tuesday / 27.10.2026

Date : 13.10.26

JESUS' SACRED HEART SCHOOL

TASK PLANNER

CLASS–V E (CAMBRIDGE)

SUBJECT	TOPIC	NATURE OF TASK	REQUIRED MATERIAL (To be sent from home)	CLASS/HOME WORK
English	From Miracle to Menace: A Report on Plastic	● Research plastic—its invention, types, uses, and harmful impacts. ● Prepare a scripted "news flash" presenting key facts and simple solutions. ● Create a set of cue cards with key facts and present the report individually in class as a News Reporter.	● Prepared cue cards.	Prepare at home and present in class.
GP	My Dream School Budget	● Imagine that your school has received ₹1,00,000 to improve school facilities. Act as a member of the School Budget Committee. ● Plan how the ₹1,00,000 budget should be spent to make the school better, safer, healthier, and more enjoyable. ● Allocate the budget to selected areas such as the library, sports equipment, technology, clean drinking water, plants and garden, toilets, art and music, and playground. The total budget must be exactly ₹1,00,000. ● Represent and present your budget in class.	● A3-size chart paper ● Coloured craft paper ● Sketch pens/markers ● Printed or hand-drawn pictures ● Optional: play money/₹ notes ● Optional: decorative materials	To be done in Class
Math	3D SHAPES AROUND US (Individual)	• Research different 3D shapes, conduct a survey to identify where these shapes can be found in the surroundings. • Paste suitable pictures of real-life examples. • Prepare a survey report including the shape, its real-life example and your findings (number of faces, edges and vertices). •The survey findings will be presented and assessed through an in-class discussion and analysis.	● A3-size chart paper ● Coloured craft paper ● Sketch pens/markers	To be done in Class
SCI	Hidden Dangers in Food Chain	● Show an experiment demonstrating how a harmful pollutant can enter a food chain and become more concentrated as it moves from one organism to another.	Material required to present the experiment.	Prepare at home and present in class.
PBI (Individual Activity)	Speech	Students will speak for 1 minute in Punjabi on how they can save energy at home and school.	-	To present in class.
Hindi (Individual Activity	ऊर्जा की कहानी – कहानी लेखन	Students will write a short imaginative Hindi story based on an energy-related situation, such as ''एक दिन बिना बिजली के''.The story should have interesting characters, a clear sequence of events and a meaningful ending.	A4 sheet, pencil, colours/sketch pens, cut outs etc.	To be done in class.

Kindly ensure the presence of your ward on Project Day, as the activities will not be conducted again.
